Terms & Conditions

1. These conditions apply for the booking of any golf day at Welwyn Garden City Golf Club.

2. Golfing Standard - It is expected that all visiting groups ensure that all their members play to a competent standard (guideline of maximum handicap for men of 28 and ladies 36). Although we do not expect all players to hold an official handicap, we expect them to play to a reasonable standard in order to enjoy their day and not spoil the golf for others. Each player must have their own golf clubs and bag, golf footwear and is expected to know, and carry out, the normal etiquette of golf.

3. Reservations: Provisional and Confirmed - Reservations will be regarded as provisional until such time as a signed copy of the booking form and the required deposit has been received by the Club. The Club reserves the right to release a provisional booking in the absence of receipt of these items.

4. Deposits / Payment Terms - On initial booking of golf day a **deposit of £100** is required to secure the booking. If not received, the Club reserves the right to take an alternative booking for this day. 2 weeks prior to golf day, WGC Golf Club to be informed of minimum numbers expected.

5.. Final Golf Requirements - **14 days prior to the golf day**, the organiser should provide final information such as arrival times, programme of events including meal times, and special requirements, such as buggies, nearest the pin and longest drive. **48 Hours before the golf day**, final numbers for catering and golf must be advised. Any reduction after this time will be subject to catering being charged in full. Prior to departure on the day, the organiser must pay all charges in full.

6. Dress Code - All golf societies must comply with the current dress regulations for the Club. The Club reserves the right to refuse to allow access to the course or clubhouse to those who are improperly dressed.

7. Course Etiquette - All golfers are requested to observe course etiquette. Players must rake all bunkers after use, replace divots and repair pitch marks on the greens. Trolleys and buggies must not be taken onto the aprons to greens or onto tees. Please bring these points to the attention of all of your group.

8. Slow Play - We would expect most groups to complete a round in around 4 hours. Anything over this will spoil the enjoyment for your players and those behind them. Please select a format for your day that will ensure that this is achievable.

9. Liability - WGC Golf Club cannot accept any liability for any damage, to other persons by visiting players whilst on the Club's property including damage arising out of negligence. All players in your party should be notified that they enter onto the golf course or into the club's premises at their own risk, and consent to the risk of loss, damage or injury howsoever caused. WGC Golf Club can accept no responsibility for the loss of, or damage to property when left in public areas, or cars parked in the car park.

10. Food and Drink – **To qualify for society rates, all golf societies are required to include a minimum of one catering option within their package.** No food or drink may be brought onto the Club premises by clients hiring the facilities, excluding bottles provided as golf day prizes that will not be consumed on site. **For one, two or three course meals, the entire society must select the same menu option**. Menu choices should be confirmed in advance of the event.

11. Food Disclaimer - In accepting these terms, the client acknowledges that WGC Golf Club cannot accept any liability for any food taken off the premises.

12. Cancellation by Welwyn Garden City Golf Club - The Club reserves the right to cancel or amend any reservation:
· If the Club, or any part of it, is closed due to fire, natural disaster, employee dispute, alteration, demolition, decoration or by order of any public authority
· If the client becomes insolvent or enters into liquidation or receivership
· If the client is more than 30 days in arrears with any payment due to the Club
· If the reservation is found to be potentially detrimental to the reputation of the Club
· If inclement weather prevents the playing of golf. In this event the club will refund any deposit made in respect of the booking, but will have no further liability to the client
