

WELWYN GARDEN CITY GOLF CLUB

Membership Terms & Conditions

1. All memberships are annual memberships, running from 1 April, or such subsequent date if joining part way through the membership year, and finishing on 31 March each year.
2. Although the Board allows members to pay their annual membership using an easy payment plan, this in no way reduces the obligation to pay for the whole year's membership.
3. Members are able to upgrade their membership to a higher category at any time during a membership year, but can only change to a lower category at the end of a membership year.
4. Full and 5 day members are required to pay a bar levy of £100, and Social members £40 with their subscription. If this initial amount is not used during the membership year it will be removed from the member's bar account at the end of the year.
5. Members joining part way through a membership year will pay pro rata fees.
6. There is no option to suspend a membership during the course of the membership year.
7. The Board can, at its absolute discretion, only in exceptional circumstances, agree to amend a membership category and / or subscription part way through a membership year.
8. **Direct Debit Payment**
Direct debits will be taken on or after 10th of every month, from April to January.
A £20 admin fee is charged for paying in this way.
If you have been paying on direct debit, your direct debit will automatically continue the following year unless you notify us otherwise.
9. **Credit and Debit Card Payments**
If you choose to pay your subscription on credit card, we are required to pass on the 2.0% commission fee that we are charged.
In order to cover charges to us for debit card payments we charge £5 for subscriptions paid by debit card.
10. **Late Payment Administration Fee**
As well as withdrawing all membership privileges until payment is received, an admin fee of £50 is charged to anyone paying subscriptions after 30 April. This fee also applies for those paying on direct debit, whose first payment does not go through on 11 April, and which is not settled by 30 April.

This is to ensure that those who pay promptly are protected and not penalised for doing so.
